

skyport NEWS

Prague February 2, 2009

Dear business partners,

We are here again to bring the news. We hope that Christmas holidays and New 2009 year's holidays brought to you the relaxation and we wish we overcome together a difficult period ahead and hopefully we will make a good business also this year 2009.

Skyport a.s.

New handling system CHAMP Cargospot in operation

A new cargo handling system of „new generation“ was put into operation on February 1, 2009 with the aim to increase an effectiveness and a comfort during handling of goods. We would like to remind the following information:

1. New e-mail addresses @skyport.cz for all our departments were put into operation and new SITA addresses were attached. The whole list of contacts can be found on the last page of today's news. Do not forget please during sending of the system messages to use our new system address: **CHACS7X**.
Hopefully you will be tolerant during the first two weeks of its operation. In case some system discrepancies occur, do not hesitate to contact us on our telephone number: 220 115 394 or send your e-mail to our address: it@skyport.cz
2. A new call forwarding system was introduced at our Customer service centre which will make the whole process of shipping and getting of the shipments much easier.
3. Introduction of a new Cargospot system will also enable to increase the frequency of physical stock takes once a week.

The leading provider of
integrated air cargo IT solutions

Transportation Menzies-Skyport

We would like to remind you that our service for a transportation of the shipments is being provided by 3,5t AVIA vehicle between Menzies and Skyport warehouses from 7 o'clock a.m. to 7 o'clock p.m. You can order this service by phone on 220 114 339. Price-list can be found on our webpage, the section „Downloads“– Other services: transportation between Menzies - Skyport. Regular transportation can be negotiated with our Sales Director Mr. Ladislav Klimeš on his phone number: 220 114 094 or by sending e-mail to his address: ladislav.klimes@skyport.cz

Road Feeder Service

During last few months we extended the cooperation with the airline companies on transportation of the goods by RFS. Timetable and destinations are to be found on our webpage in section: “Downloads – RFS schedule 2009“.

In case you are interested in that service please contact our Sales Director Mr. Klimeš on his phone number: 220 114 094 or by an e-mail address on: ladislav.klimes@skyport.cz. The operational issues are solved by a supervisor Mr. Lubomír Prokop, phone number: 732 831 654, his e-mail address: truck@skyport.cz

Updated Price list of other charges, valid from January 1, 2009, has been added to our webpage www.skyport.cz, in the section “Downloads”.
